**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

Customer

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

I am currently collecting background information from past rate increase requests by CWS and comparing their current charges to other local providers. Thus far, CWS is by far the highest provider in our area, prior to the proposed audacious 80% rate increase request.

I plan on providing additional information soon.

I notice that I am the third protester from the same neighborhood (River Hills) in just a few days. I expect there will be more, given the ludicrous nature of the highest cost provider in the area asking for an 80% increase.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***  
(This section should be completed.)

Yes.
